Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A device comprising a hollow member having an open end for the insertion of a finger, the hollow member having a first section attached to a second section, said first section having a nonwoven material, ~~said second section comprising an elastic nonwoven material, said first section being connected to said second section in a manner that forms a seam, and a lip care formulation disposed on at least a first portion of an exterior surface of the device and a second portion of the exterior surface configured to clean the teeth and gums of a user, the second portion comprising a breath freshening agent, a flavoring agent or a dental agent, and wherein the second portion is separate from the first portion.~~
2. (currently amended) The device of claim 1, further comprising a texturized surface ~~configured to clean the teeth and gums of a user~~ disposed on the exterior surface.
3. (previously presented) The device of claim 2, wherein the portion of the exterior surface that includes the lip care formulation is separate from the texturized surface or is a portion of the texturized surface.
4. (previously presented) The device of claim 2, wherein the portion of the exterior surface that includes the lip care formulation is a portion of the texturized surface.
5. (previously presented) The device of claim 3, wherein the portion of the exterior surface that includes the lip care formulation is closer to the open end than the texturized surface.
6. (withdrawn) The device of claim 2, further comprising a breath freshening agent, a flavoring agent or a dental agent.
7. (cancelled)

8. (original) The device of claim 1, wherein the lip care formulation comprises at least one compound selected from the group consisting of allantoin, avobenzene, camphor, dimethicone, homosalate, menthol, meradimate, octinoxate, octisalate, oxybenzone, padimate 0, petrolatum, phenol.

9. (original) The device of claim 1, wherein the lip care formulation comprises dimethicone, oxybenzone and padimate 0.

10. (withdrawn) The device of claim 1, wherein the lip care formulation comprises allantoin and camphor, menthol or phenol.

11. (original) The device of claim 1, wherein the lip care formulation comprises dimethicone or petrolatum and at least one sun screening agent.

12. (original) The device of claim 1, wherein the lip care formulation comprises a sun screening agent and a skin protecting agent.

13. (withdrawn) The device of claim 1, wherein the lip care formulation comprises an analgesic and a skin protecting agent.

14. (withdrawn) The device of claim 1, herein the lip treatment comprises an analgesic selected from the group consisting of camphor, menthol and phenol.

15. (withdrawn) The device of claim 1, wherein the lip care formulation comprises a skin protecting agent selected from the group consisting of allantoin, dimethicone and petrolatum.

16. (withdrawn) The device of claim 1, wherein the lip care formulation comprises a sun screening agent selected from the group consisting of aminobenzoic acid, anthranilate avobenzene, dioxybenzone, homosalate, lisadimate, menthyl anthranilate, meridamate, octinoxate, octisalate, octocrylene, octyl methoxycinnamate, octyl salicylate, oxybenzone, padimate 0, phenylbenzimidazole, roxadimate, sulisobenzene, titanium dioxide, trolamine salicylate and zinc oxide.

17. (withdrawn) A disposable substrate for applying a lip treatment composition, the disposable substrate comprising a nonwoven material having a surface upon which is disposed a lip care formulation.

18. (withdrawn) The disposable substrate of claim 17 wherein the lip care formulation comprises at least one compound selected from the group consisting of allantoin, avobenzene, camphor, dimethicone, homosalate, menthol, meradimate, octinoxate, octisalate, oxybenzone, padimate 0, petrolatum, phenol.

19. (withdrawn) The disposable substrate of claim 17 further comprising a breath freshening agent, a flavoring agent or a dental agent.

20. (withdrawn) The disposable substrate of claim 17 wherein the lip care formulation comprises a sun screening agent, a skin protecting agent or an analgesic.

21. (withdrawn) A packaged disposable product comprising a disposable substrate for applying a lip treatment composition, the disposable substrate comprising a nonwoven material having a surface upon which is disposed a lip care formulation and a package sealed about the disposable substrate.

22. (withdrawn) The packaged disposable product of claim 21 wherein the lip care formulation comprises a sun screening agent, a skin protecting agent or an analgesic.
